

## Execulink Launches 2023 Gifts of Christmas Campaign

**(Woodstock, ON) December 5, 2023** – Execulink Telecom is pleased to launch their sixth annual Gifts of Christmas campaign with donations throughout the month of December to local charities and initiatives in the communities we serve.

On the first day of giving, we are donating to the Multi-Service Centre in Tillsonburg! They stand as a recognized and accredited charitable organization dedicated to promoting high-quality, accessible community services in Oxford, Elgin, and Norfolk Counties. Learn more about MSC here:

The Gifts of Christmas donation program commenced in 2018, driven by the mission to support local charities and foster positive community engagement. With this year's contributions, Execulink will have supported a remarkable 70 diverse local organizations, charities, and non-profits through this initiative. The program's impact has been profound, spreading joy not only to the recipients but also across their wider networks. Encouraged by this heartfelt response, Execulink is committed to upholding this tradition for years ahead. For all the detailed information, visit the official [Gifts of Christmas webpage](#).

Ian Stevens, President/CEO of Execulink Telecom, shares “I am thrilled to announce the return of our cherished 'Gifts of Christmas' program for the 6th consecutive year. This initiative embodies our commitment to spreading joy and making a tangible difference in the communities we serve.”

### About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
