

Anishinabek Police Service Receives Gifts of Christmas Donation

(Woodstock, ON) December 6, 2023 – Execulink Telecom is pleased to launch their sixth annual Gifts of Christmas campaign with donations throughout the month of December to local charities and initiatives in the communities we serve.

On the second day of giving, we're donating to Anishinabek Police Service in Kettle Point! Anishinabek Police Service, Kettle Point for their annual community service event where the officers and staff prepare and host a Christmas dinner for area seniors! They serves a full course roast beef dinner for approximately 120 seniors. Treat bags containing fresh fruit, a beverage and seasonal candy are also provided, along with a 2024 wall calendar. Thank you Anishinabek Police Service for bringing holiday cheer throughout the Kettle Point community!

The Gifts of Christmas donation program began in 2018 with the aim of giving back to local charities and generating positive engagement for recipients. After this year's donation program, Execulink will have donated to a total of 58 different local organizations, charities, and non-profits as part of their Gifts of Christmas donation program. This program has spread so much joy amongst the recipients and their networks of influence that Execulink aims to continue this tradition for years to come. For full information you can visit the official [Gifts of Christmas webpage](#).

Ian Stevens, President/CEO of Execulink Telecom, shares “We are thrilled to help the amazing non-profit organizations, groups, and charities within the communities we serve. We are proud to support their causes and hope the Gifts of Christmas program helps them to achieve their goals in the coming year.”

About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
