- Competitive student wage of \$16.50 per hour

In this role, you will enjoy the following daily tasks:

- Read construction maps to see where Execulink facilities have been placed
- Operate a Graphic Information System (GIS) device
- Capture each street Execulink has built fibre within the past 1-2 years
- Identify infrastructure such as Execulink tubs and vaults
- Take a snap and a photo of locations using a GIS data collection tool
- Download captured data onto a laptop for facility management use

What you bring:

- A valid G-class driver's license
- Physical ability to walk all day, moving from site to site
- Ability to read and comprehend construction maps
- Comfortable and able to work outside in adverse weather conditions
- Proficiency with computers
- Prior experience using a GIS device is an asset
- Able to travel to varying work locations within Norfolk, Oxford, Middlesex and Lambton County
