

Celebrating Execulink Telecom's Fifth Annual Gifts of Christmas Donation Program

(Woodstock, ON) December 23, 2022 – Execulink Telecom, the telecommunications provider, is thrilled with the reactions from the recipients of our fifth annual Gifts of Christmas.

Ian Stevens, President/CEO of Execulink Telecom, shares “We are thrilled to help the amazing non-profit organizations, groups, and charities within the communities we serve. We are proud to support their causes and hope the Gifts of Christmas program helps them to achieve their goals in the coming year.”

The Gifts of Christmas donation program began in 2018 with the aim of giving back to local charities and generating positive engagement for recipients. After this year's donation program, Execulink will have donated to a total of 58 different local organizations, charities, and non-profits as part of their Gifts of Christmas donation program. This program has spread so much joy amongst the recipients and their networks of influence that Execulink aims to continue this tradition for years to come.
