

**Central Office Maintenance Technician
Part-Time (Flexible Hours)
Burgessville, ON**

You deserve an awesome career! At Execulink, you'll join a team of talented individuals supported by an organization committed to fostering your career development and growth. As we rapidly grow, we continue our unwavering commitment to live and breathe our Vision, Mission and Values. While enhancing life at home work and play, we continue to grow our team with innovative individuals who are as excited about creating an awesome experience for our customers as we are!

Are you an experienced Telecom Central Office Technician seeking an opportunity for casual work with the flexibility of an occasional part-time commitment?

Here's What You Will Be Doing

Reporting to the Planning & Implementation Manager, you will handle provisioning, service assurance, maintenance and projects related to the installation, replacement or maintenance of equipment and cable management in keeping with established practices and procedures. The successful candidate may be asked to perform other but similar tasks as requested.

With our department growing, we are looking for a team player who will help build this new role within our Planning & Implementation team, assisting us on an occasional part time basis with various Central Office projects.

Position Details

- Flexible, varying occasional part-time hours primarily scheduled between 8:00am to 4:30pm, Monday to Friday.
- Based in our Burgessville office; this position will support all Execulink Central Offices and office locations
- Full use on an Execulink service vehicle for travelling from Burgessville to worksites

Work for a company that supports what is most important to you

At Execulink, we live our Values. We build up our community by giving back through community donations that matter to you. Check out our [Humans of Execulink](#) Blog to see why our employees love being part of this awesome team:
