

## Next Wave Youth Receives Gifts of Christmas Donation

**(Woodstock, ON) December 6, 2023** – Execulink Telecom is pleased to launch their sixth annual Gifts of Christmas campaign with donations throughout the month of December to local charities and initiatives in the communities we serve.

On the third day of giving, we're donating to Next Wave Youth in Strathroy! They have helped lead youth in London and Middlesex County toward success and supports youth to build skills, confidence and independence to reach their potential. Approximately 3,600 youth between the ages of 16-30 access the system of supports available at YOU each year. Whether they are in need of basic needs and housing, access to physical, mental or dental health care, or education and employment supports, Next Wave Youth services are designed to help youth lead positive lives. Learn more about their services or how you can get involved here: <https://www.you.ca/>

The Gifts of Christmas donation program began in 2018 with the aim of giving back to local charities and generating positive engagement for recipients. After this year's donation program, Execulink will have donated to a total of 58 different local organizations, charities, and non-profits as part of their Gifts of Christmas donation program. This program has spread so much joy amongst the recipients and their networks of influence that Execulink aims to continue this tradition for years to come. For full information you can visit the official [Gifts of Christmas webpage](#).

Ian Stevens, President/CEO of Execulink Telecom, shares "We are thrilled to help the amazing non-profit organizations, groups, and charities within the communities we serve. We are proud to support their causes and hope the Gifts of Christmas program helps them to achieve their goals in the coming year."

### **About Execulink Telecom**

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
