

Customer Service Technician – Level 1

Execulink Telecom – London, ON

At Execulink, Success is up to you!

Are you looking for an opportunity to show your technical and mechanical skills?

Do you enjoy identifying potential issues and implementing solutions?

Do you thrive on providing an excellent customer service experience?

About this Opportunity

You will primarily be responsible for implementation, installation and repair of our wireless internet services. On occasion, you'll install or repair other services, such as Voice, Data and video over various mediums including fibre and copper.

Position Details:

- Permanent full-time, forty (40) hours per week.
- Regular hours 8:00 a.m. - 4:30 p.m., weekdays, and weekends when necessary to meet customer service level requirements.
- Must have ability to work flexible hours as demanded by the system, including weekends, early mornings & part of an on-call rotation schedule

Duties include, but are not limited to:

- Complete installation of our services for Residential and Corporate customers, while adhering to all safety standards
- Promote and explain equipment and services by demonstration and discussion
- Maintain a general level of knowledge covering all current equipment, technologies and standards
- Investigate and respond to needs of all customers, internal and external, according to normal or established procedures
- Analysing, isolating and repairing troubles causing impaired service
- Maintain regular direct responsibility with customer relations for installations, repairs, and outages
- Receive technical direction from other team technicians
- Underground cable locating and reporting
- Prepare plans, time sheets, repair work orders and other reports as necessary, using standard abbreviation and field or function codes
- Involved in Order/Inventory management for all equipment
- Ensure vehicles and all equipment are properly maintained at all times
- Any other duties as may be assigned from time to time

You Offer

- Ability to handle the physical aspects of the job which include working at heights, working off of ladders, consistently lifting and carrying up to fifty (50) pounds, clearly identifying cable colours, running and mounting of wireless hardware/cabling, as well as working in adverse weather conditions
- Skilled in performing cabling, mechanical jobs and the use of power tools
- Computer proficiency with working knowledge of Microsoft products is required
- Knowledge in Wireless Broadband Networks, ADSL, VDSL and Fibre services, as well as related test equipment. 

- Proven ability to identify potential problems and challenging situations, take appropriate action, implement solutions or seek the assistance of the Technician and/or Supervisor as required
- Proven ability to perform required responsibilities independently, with limited supervision and direction, within a fast-paced, changing environment
- The ability to communicate in a clear, concise and professional manner with a strong focus on customer service
- Fibre splicing and testing is an asset
- Must be open to completing and passing the following training: Fall Arrest, Emergency First Aid and Ladder Training
- Must have a valid Class G Driver's License, clean driving record and reliable transportation

What We Offer

- Full benefits package including medical, dental, vision, retirement savings, health & wellness program, employee discount plan, tuition reimbursement program & interest free computer loans!
- A rewarding, challenging, and fun place to work, and all of the benefits that go along with it!

How to Apply

- In your cover letter tell us why you think you would excel as a member of our team!
- Submit your cover letter and resume in confidence to work@execulinktelecom.ca **no later than 4:00 p.m. Friday, January 11, 2019.**
