

Execulink Launches 2025 Gifts of Christmas Campaign

(Woodstock, ON) December 2, 2025 – Execulink Telecom is pleased to launch its eighth annual *Gifts of Christmas* campaign, featuring donations throughout the month of December to local charities and community initiatives across the regions we serve.

On the first day of giving, we are proud to support The Royal Canadian Legion – Branch 153 in Tillsonburg! The **Royal Canadian Legion** provides vital support to veterans, their widows, and dependents, ensuring they have access to the care, resources, and recognition they deserve. Beyond assisting individuals, the Legion plays a central role in the community by promoting remembrance, honoring Canada's military history, and supporting youth programs and local initiatives. Members organize events, fundraisers, and community services that strengthen social connections and foster a sense of belonging. The Legion also offers guidance and advocacy to help veterans navigate benefits, healthcare, and other support systems. Through these efforts, the Royal Canadian Legion helps build stronger, more resilient communities while preserving the legacy of service and sacrifice.

The *Gifts of Christmas* donation program began in 2018 with the goal of supporting local charities and strengthening community connections. With this year's contributions, Execulink will have supported a remarkable 84 local organizations, charities, and non-profits through this initiative. The program has made a meaningful impact, bringing joy not only to recipients but also to the broader communities they serve. Inspired by this continued positive response, Execulink remains dedicated to carrying this tradition forward. For full details, please visit the official [Gifts of Christmas webpage](#).

Ian Stevens, President/CEO of Execulink Telecom, shares: *"I am thrilled to announce the return of our cherished 'Gifts of Christmas' program for the eighth consecutive year. This initiative reflects our commitment to spreading joy and making a meaningful difference in the communities we serve."*

About Execulink Telecom

In operation since 1904, Execulink Telecom has grown from a small independent telephone company into one of Ontario's leading telecommunications providers. Through innovation and forward-thinking, Execulink has expanded from traditional telephony to offering a full suite of telecommunications services, including data, internet, television, mobility, and advanced voice solutions. These services are available across all sectors—supporting more than 50,000 business, enterprise, government, and residential customers.
