

Day 4 of Execulink's Gifts of Christmas Shines a Spotlight on K2K Productions

(Woodstock, ON) December 9, 2025 – Execulink Telecom is pleased to launch its eighth annual *Gifts of Christmas* campaign, featuring donations throughout the month of December to local charities and community initiatives across the regions we serve.

On the fourth day of giving, we are proud to support **K2K Productions in Woodstock!** K2K Productions is a theatre program for students in grades 2-12. Through weekly small groups, mentoring and coaching we ensure every student discovers more about who they are, how they fit in & their purpose. Learn more about K2K here: [K2K Productions Website](#)

The *Gifts of Christmas* donation program began in 2018 with the goal of supporting local charities and strengthening community connections. With this year's contributions, Execulink will have supported a remarkable 84 local organizations, charities, and non-profits through this initiative. The program has made a meaningful impact, bringing joy not only to recipients but also to the broader communities they serve. Inspired by this continued positive response, Execulink remains dedicated to carrying this tradition forward. For full details, please visit the official [Gifts of Christmas webpage](#).

Ian Stevens, President/CEO of Execulink Telecom, shares: *"I am thrilled to announce the return of our cherished 'Gifts of Christmas' program for the eighth consecutive year. This initiative reflects our commitment to spreading joy and making a meaningful difference in the communities we serve."*

About Execulink Telecom

In operation since 1904, Execulink Telecom has grown from a small independent telephone company into one of Ontario's leading telecommunications providers. Through innovation and forward-thinking, Execulink has expanded from traditional telephony to offering a full suite of telecommunications services, including data, internet, television, mobility, and advanced voice solutions. These services are available across all sectors—supporting more than 50,000 business, enterprise, government, and residential customers.
