

Execulink Marks Day 5 of Gifts of Christmas with Support for Sacred Heart's New Playground

(Woodstock, ON) December 11, 2025 – Execulink Telecom is pleased to launch its eighth annual *Gifts of Christmas* campaign, featuring donations throughout the month of December to local charities and community initiatives across the regions we serve.

On the fifth day of giving, we are proud to support Sacred Heart Elementary School! Sacred Heart Elementary School is currently fundraising to construct a new playground, creating a safe and engaging space for students to play, learn, and stay active. This investment will provide opportunities for children to develop social, physical, and teamwork skills while fostering a sense of community among students, families, and staff. By funding this project, we are helping enhance the school environment and promote healthy, active childhood experiences. Find out more here: [Sacred Heart Elementary School](#).

The *Gifts of Christmas* donation program began in 2018 with the goal of supporting local charities and strengthening community connections. With this year's contributions, Execulink will have supported a remarkable 84 local organizations, charities, and non-profits through this initiative. The program has made a meaningful impact, bringing joy not only to recipients but also to the broader communities they serve. Inspired by this continued positive response, Execulink remains dedicated to carrying this tradition forward. For full details, please visit the official [Gifts of Christmas webpage](#).

Ian Stevens, President/CEO of Execulink Telecom, shares: *"I am thrilled to announce the return of our cherished 'Gifts of Christmas' program for the eighth consecutive year. This initiative reflects our commitment to spreading joy and making a meaningful difference in the communities we serve."*

About Execulink Telecom

In operation since 1904, Execulink Telecom has grown from a small independent telephone company into one of Ontario's leading telecommunications providers. Through innovation and forward-thinking, Execulink has expanded from traditional telephony to offering a full suite of telecommunications services, including data, internet, television, mobility, and advanced voice solutions. These services are available across all sectors—supporting more than 50,000 business, enterprise, government, and residential customers.
