

Execulink Highlights Mental Health Support with Day 6 Gift to Wellkin

(Woodstock, ON) December 13, 2025 – Execulink Telecom is pleased to launch its eighth annual *Gifts of Christmas* campaign, featuring donations throughout the month of December to local charities and community initiatives across the regions we serve.

On the sixth day of giving, we are proud to support Wellkin Child and Youth Mental Wellness! **Wellkin** (formerly OECYC) provides comprehensive mental health care for infants, children, and youth in Oxford and Elgin Counties. Their programs and services are tailored to the needs of each individual, offering screening, assessment, treatment, and education in a supportive environment. All support and services are provided at no cost to families. Wellkin works closely with caregivers, families, and peers to ensure care is responsive to each child's unique circumstances. Through these efforts, the organization helps families achieve stability and promotes safe, healthy, and manageable outcomes for children and youth. With this year's contributions, Execulink will have supported a remarkable 84 local organizations, charities, and non-profits through this initiative. The program has made a meaningful impact, bringing joy not only to recipients but also to the broader communities they serve. Inspired by this continued positive response, Execulink remains dedicated to carrying this tradition forward. For full details, please visit the official [Gifts of Christmas webpage](#).
