

Execulink Celebrates Day Five of Gifts of Christmas with Donation to Kettle & Stony Point Three Fires Youth Centre

(Woodstock, ON) December 16, 2024 – Execulink Telecom is delighted to announce the fifth day of its 7th annual Gifts of Christmas program. Over the 12 days leading up to Christmas, Execulink is donating \$500 to 12 outstanding organizations, celebrating their contributions to the communities they serve.

On this fifth day of giving, Execulink is proud to support the Kettle & Stony Point Three Fires Youth Centre, a vibrant hub for youth aged 12-18. Since its establishment in 1999, the center has empowered young people through a diverse range of activities, including sports, workshops, seasonal events, and trips. From kayaking and ribbon skirt making to a girls' softball team, the center offers something for everyone, fostering creativity, connection, and community.

"The Kettle & Stony Point Three Fires Youth Centre is a shining example of how enriching activities can inspire and empower young people," says Ian Stevens, CEO of Execulink Telecom. "We are thrilled to support their incredible work in fostering growth and resilience among youth in the community."

The center's success is guided by a dedicated Youth Committee that ensures programming meets the needs and interests of its participants, creating a safe and inspiring space for all.

Execulink encourages the community to learn more about the Kettle & Stony Point Three Fires Youth Centre and their impactful programs, which continue to shape the lives of local youth.

About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
