

## Execulink Kicks-off 7<sup>th</sup> Annual Gifts of Christmas Campaign

**(Woodstock, ON) December 10, 2024** – Execulink Telecom is thrilled to announce the launch of its 7th annual Gifts of Christmas program, a cherished holiday tradition supporting organizations across its service area. This year, Execulink will donate \$500 each to 12 deserving organizations over the 12 days leading up to Christmas.

On the first day of giving, Execulink is proud to support the Kaeden Brown Foundation (KBF) in Watford, ON. Over the past 15 years, KBF has made an incredible impact, donating more than \$350,000 to the community. Their contributions include scholarships, community projects, support for local sports teams, and assistance for various community organizations.

“We are honored to begin this season of giving with a donation to the Kaeden Brown Foundation,” says Ian Stevens, CEO of Execulink Telecom. “Their unwavering commitment to supporting local communities aligns with our values, and we’re excited to contribute to their remarkable legacy.”

Execulink encourages others to learn more about the Kaeden Brown Foundation and the transformative work they do by visiting their website: <https://hubs.ly/Q02ZTsQY0>.

Through its Gifts of Christmas program, Execulink remains dedicated to spreading joy and making a meaningful difference in the communities it serves. Follow along on Execulink’s social media channels as the recipients for the remaining 11 days of giving are revealed.

### About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
