

Execulink Celebrates 120th Anniversary with Successful Tour Stop in Kettle Point

(Woodstock, ON) August 3, 2024 – Execulink Telecom celebrated another stop on their 120th anniversary tour with a joyous event at Kettle Point Plaza on August 2. From 1 to 3 PM, community members gathered to enjoy free ice cream from Mr. Cools ice cream truck and explore an engaging tech display that showcased the evolution of technology throughout the years.

Eric Davies, VP of Sales and Marketing at Execulink, expressed his gratitude and excitement, stating, “Celebrating our 120th anniversary with the wonderful community of Kettle Point has been an incredible experience. We are proud to have been part of this community, providing reliable and fast Fibre Internet services since 2021. This event is not just a celebration of our history, but also a reaffirmation of our commitment to delivering exceptional service and staying at the forefront of technological innovation.”

The Kettle Point tour stop is part of Execulink’s broader anniversary celebrations, which include various events and initiatives aimed at giving back to the communities they serve. The company looks forward to continuing its tradition of excellence and innovation, ensuring that its customers enjoy the best possible telecommunications services.

About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
